Welcome to the Pre-Law Newsletter! The newsletter is a great way to stay informed on all things Pre-Law at Notre Dame. Here, you can learn more about upcoming events and key information regarding Notre Dame's Pre-Law Community.
The Pre-Law Newsletter is prepared by the Pre-Law Student Board under the direction of the Meruelo Family Center for Career Development as part of the Notre Dame Pre-Law Program to help students explore law, determine if it is the career they want to pursue, and have the tools, resources and knowledge for applying to law school.

Recently, we have held several events, covering topics such as the LSAT, personal statement, and choosing a law school. Additionally, we are trying to provide students interested in law with the opportunity to explore and engage with their future, whether it be through the Law School Fair, a live NDLS Zoom Class, or a Q&A Panel with current NDLS students. With this being said, we would like to hear more from you, the students, on what you want to see in the future. Don't hesitate to reach out to prelaw@nd.edu with any suggestions!
